In tribute to Bill Rea we dedicate this issue of the Cardinal Call.

His interest, loyalty, and untiring work for Hermleigh High School and the community will not soon be forgotten.

Mr. Rea coached baseball teams, and he was a member of the Lions Club and the Quarterback Club.

Mr. Rea is no longer in our midst but he will ever remain in our hearts.

POWER LINE TO PROSPERITY

For every one dollar spent on cooperative lines an estimated \$6 is spent to use the electricity. This means the electric cooperatives have created a billion dollar market for local businessmen.

The cooperative is locally owned — business managed — tax paying . . . owned and operated by the people it serves.
